

Subject: Important Update: Changes to Our AGCO Operations in Zambia

Dear Valued Customer,

We sincerely thank you for your ongoing support and partnership with FES Zambia. We are writing to share an important update regarding our distribution of AGCO products in Zambia.

After a comprehensive review of our operations, we have decided to transition away from distributing AGCO products in Zambia and terminate the two Farm Machinery Distributor Agreements and Service Agreements between AGCO International GmbH and FES Zambia Limited. This decision aligns with our commitment to sustaining a strong and resilient business model that allows us to serve our customer base effectively.

To ensure minimal disruption, FES Zambia will continue selling AGCO products until 15 February 2025. During this period, our team will be available to provide service and support to you.

If you have any ongoing or future requirements, or if you would like to discuss how this change may affect you, please contact our team in Zambia or you can contact me directly on 00265 99 996 6552 via whatsapp.

- Susie Davies on 00260 979 711 145 – Parts
- Mark Galloway on 00260 779 765 398 - Technical support

Thank you for your understanding and continued support. We value the trust you place in FES Zambia and remain dedicated to supporting your needs during and after this transition.

Yours sincerely,

Mike Aldworth
Group Managing Director
